

# Biogeochemical Dating in Deep Time

Workshop: May 11-12, 2017

University of Connecticut, Storrs, CT

Organizers: Gregory Fournier (MIT) & Mukul S. Bansal (UConn)

This NSF-funded workshop brings together scientists from diverse disciplines that focus on dating the record of biological and geological processes on Earth. Faculty members and PIs are invited to bring or send members of their labs.

Lodging is available at no cost on UConn's campus at the Nathan Hale Inn.
